Dry Pak® Flip Phone Case
Dry Pak's New Flip Phone Case fits all popular flip phones. Hear your phone ring, talk and listen right through the case! The hi-visibility cam lock is submersible, providing 100% protection from water, sand and dust. Fold the case in half and the phone goes into stand-by mode. Adjustable neck lanyard and spring hook included. \$14.99 retail. Visit www.drypakcase.com or call 303-733-3722

ALPACKA RAFT

LIKE A KAYAK FOR YOUR BACKPACK Alpacka rafts are tough, maneuverable packrafts that are smaller and lighter than most ultra-light tents. Wilderness travelers pack them to negotiate cold and technical rivers. Fishermen use them on remote lakes. And paddlers pack them instead of kayaks to run hard-to-access whitewater. Visit www.alpackaraft.com.

STORM CASE®

STORM CASE BY HARDIGG Case in Waterfall: Built with the latest technological advancements and impact resistant plastic developed for the military. Storm Cases stand up to temperature changes, water, extreme drops and even pressure changes. The patented Vertex™ valve automatically allows air to pass but nothing else like water or dust. Press & Pull latches open silently and smoothly. Lids lock in place to prevent break-ins while molded-in hasps take any lock. Inside it all, customizable foam inserts hold every valuable immobile and secure. Pack it in a Storm Case to ensure your equipment arrives safe and secure. www.stormcase.com.

2005 DAHON JACK Jack is a suitable name of this new breed of bike. It is a burly beast for a nice comfortable ride. It is equipped with 26" Big Apple tires and 7-speed gearing to keep it simple. This bike is built for comfort, not speed. Matte Black Aluminum frame, \$399.95 MSRP.
